## **THE UPCOMING EDITION OF FOOD JAPAN 2021 WILL BE FULLY VIRTUAL**

The health and safety of our exhibitors, employees, and partners are our highest priority. After careful consideration, and in light of the on-going Covid-19 developments, we have made the decision to hold Food Japan 2021 as a fully virtual event.

Food Japan is the annual event that serves as a bridge between Japan and ASEAN, providing valuable opportunities for business collaboration and knowledge exchange of classic Japanese ingredients, quality seasonal produces, unique prefecture specialities, as well as innovative technology, and machinery.

We apologise for any inconvenience caused, but we have made immediate plans to continue our engagement by bringing you Food Japan online!

Save these dates and stay connected with us on our official website and social media channels.

We look forward to see you online!
