

It has been an amazing two days (13 to 14 October) at Suntec Convention & Exhibition Centre, with authentic Japanese food and beverage products line-ups, unique prefecture specialties, interesting new products showcase and quality business connections!

The first physical exhibitions in three years have been a successful one with **visitorship over 4,500 and 101 exhibitors.**

A big **THANK YOU** to all our exhibitors, sponsors, supporting organisations, media partners and industry friends for making the show a great success! We hope to see you again next year.
